

Faster 9-1-1 Response to Drug Overdose

Ensure 9-1-1 Can Help You Faster When Seconds Count

At **Smart911.com**, you can create a Safety Profile for your household, including any information you want 9-1-1 and first responders to have in an emergency. Providing details such as addresses, medications, potential risks of drug abuse, or the location of Narcan in your home can reduce response time and save lives.

Because every second counts. Sign up today.
