

A child goes missing in the United States every 40 seconds.

911

Take Seconds Now, To Save Seconds Later

1 Create a Safety Profile for free at www.smart911.com

2 If you dial 9-1-1, Safety Profile pops on 9-1-1 call taker's screen

It can take more than 2 hours to gather information from a panicked parent.

Provide your child's picture and description before an emergency by signing up for Smart911. By giving 9-1-1 valuable information on yourself, family members, your home, pets and even vehicles, you can save valuable seconds or even minutes during an emergency.
