Don't Get Left Behind

If you're an at-risk individual with access and functional needs, you may require additional help before, during, and after a disaster. With Smart911®, you can sign up and share medical and access and functional needs requirements with your community's emergency managers.

Download the Smart911® app or sign up online today.

Smart911.com™

Plan ahead to get the help you need during an emergency

Thousands of communities across the country rely on Smart911® to better protect at-risk residents when large-scale emergencies and disasters strike. Participation in the access and functional needs registry is strictly voluntary and you are encouraged to provide the following:

- **Contact information**
- **Caregiver contact information**
- **Medical conditions and medications**
- **Nature of disability**
- **Pets, service animals, livestock**
- **Home power and utility information**
- **Access to vehicle and ability (or inability) to evacuate**

Don't get left behind. Sign up for Smart911's access and functional needs registry today.
