

Security and privacy

> You decide what to include.

Provide as much or as little information as you want. Smart911 only asks for information that is relevant to aid emergency response.

> Only Seen If You Call 9-1-1

Your information is only available to 9-1-1 call takers and first responders if you have an emergency.

> Industry Leading Security

Your information is housed in top-tier secure facilities complete with 24/7 physical security, video surveillance, and alarms. We utilize the same SSL certificate authority and encryption technologies used by leading financial institutions.

How it works

- > **Sign up for Smart 911** and create a secure Safety Profile for your household.
- > **If you ever call 9-1-1**, the call-taker can see the emergency information you want them to see.
- > **Emergency responders** can then use this key information to help you faster and more efficiently.

What can my Smart911 Safety Profile include?

FAMILY

Include all members of your household, including their photos. You can also add all landlines and mobile numbers and who they belong to.

ANIMALS

Add your pets, service animals, and livestock, including their names and vet information so responders are aware of them if they need to enter your home.

ADDRESS DETAILS

Let responders know how to access your home, bedrooms, utility shut offs, and if you live in a multi-unit building.

VEHICLES

Add details such as make, model, and license plate number in the event of an accident.

MEDICAL INFORMATION

EMS can be aware of medical conditions, medications, and if special equipment will be needed in an emergency.

EMERGENCY CONTACTS

Include family members, friends, or neighbors who should be contacted in the event of an emergency.

99%
of users

The amount of users who would recommend Smart911 as an essential tool for personal safety.

11
minutes
