About Our Products

RAVE ALERT™
Send unlimited messages, to unlimited recipients, with an easy to use interface accessible from any internet connected device. In two clicks, a user can send multi-modal messages via text, email, voice, WebEOC, digital signage and more.

RAVE PANIC BUTTON™
With the push of a button, the Rave Panic Button app immediately dials 9-1-1, while simultaneously sending notifications to people on-site of the incident for a faster and more effective emergency response.

RAVE GUARDIAN™
A branded mobile safety app, connects people directly to an organization's security resources with location data, two-way chat, anonymous tips submission, panic call buttons, and an automatic check-in safety timer.

RAVE 911 SUITE™
Providing 9-1-1 telecommunicators and first responders powerful capabilities for handling, dispatching, and responding to emergency calls more efficiently and effectively with location data, Smart911 and Rave Facility profiles, and text-from-911 capabilities.

RAVE PREPARE™
The leading access and functional needs registry, proven to help emergency managers understand the individual needs in their community and enable more targeted communication before, during, and after a disaster.

RAVE EYEWITNESS™
A two-way text messaging platform, empowers communities to anonymously report crime and safety concerns via easy text messaging.

Why Choose Rave?

UNLIMITED USAGE
Unlimited administrators can send unlimited voice, text and email messages to unlimited recipients.
