

Human Resources and those responsible for employee communication and well-being

PRIORITIES

- 1 Maintain employee engagement and relationships
- 2 Provide the right information to the right people at the right time
- 3 Ensure all employees are healthy and safe regardless of their location
- 4 Proactively address employee concerns and needs to reduce risk of liability

TOOLS FOR SUCCESS

A way for employees to report concerns and safety needs anonymously

The ability to segment specific groups for more personalized messaging

An accessible digital repository of all key information like employee handbooks or a contact directory

Two-way, real-time communication to improve response

The ability to track engagement around corporate initiatives

A checklist of roles and responsibilities for both planned and unplanned events

Extensive, real-time reporting to help meet compliance requirements

Evolving HR Communications to Increase Employee Engagement and Improve Workplace Safety
